TO WEIGHTS AND MEASURES OFFICIALS

SUBJECT: Training for Point-of-Sale System Price Accuracy Verification Methodologies

With the new Business and Professions Code Chapter 13.5, Point-of-Sale System Price Accuracy Verification Methodologies, DMS is scheduling a series of training sessions. The training, which will be given at various locations throughout the state, is expected to take three to four hours. DMS personnel will review the requirements of the new code section as it pertains to those counties who have or plan to have scanner ordinances in place. The training will also include going in small groups to different retailers near the office to review random selection procedures. All counties who are interested are encouraged to attend.

If you plan to attend one of these sessions, please complete the attached sign-up sheet indicating the location you will be attending and fax it to the contact person indicated. You may also email the information to the contact person. If you are unable to attend any of these classes contact your area specialist who will arrange for additional training.

If you have any questions concerning this training, please contact Ken Lake, Program Supervisor, at (916) 229 3047 or klake@cdfa.ca.gov

Sincerely,

A handwritten signature in black ink, appearing to read 'Mike Cleary'.

Mike Cleary
Director
(916) 229-3000

cc: Ed Williams
